

An invitation to attend an

*Activity***B***ased* **CHAUTAUQUA**
PHYSICS **SHORT COURSE**

*Using Research Based Curricula and Tools to
Promote Active Learning in Introductory Physics Courses*

June 19 - 21, 2010
Dickinson College Carlisle, PA

This hands-on course is designed for those interested in making learning in their introductory course more active. Participants will be introduced to research-based strategies for each component of the course: lecture, lab, problem solving, analytic mathematical modeling and video analysis.

GRADUATE CREDIT IS AVAILABLE.
